GENEVA GUILD

Contemporary in style but somehow very familiar, a true modern classic.

Simple clean lines with subtle use of colour ensure the range blends seamlessly into any bathroom setting.

Geneva Guild cosmetics have been specifically studied to satisfy the most discerning guests.

Geneva Guild are high quality cosmetics, formulated with plant extracts such as rice and oat, selected active ingredients such as shea butter and keratin for everyday wellbeing to rejuvenate and refresh. Cleansers and creams are characterized by fresh and clean fragrances inspired by nature which offer a pleasant daily ritual to guests.

All cosmetics are made in Italy, clinically tested, without mineral oils and phenoxyethanol.

The collection includes bottles of cleansers specific for body and hair, various solid soap sizes, pumps and wall dispensers.

Completing the range is a selection of the most frequently requested accessories.
